**GREAT LAKES DREDGE & DOCK** provides domestic and international capital, coastal protection, and restoration dredging services. We believe a successful project team is comprised of mentors and coaches who support one another in learning, sharing knowledge and expertise, and encouraging growth.

**YOU** are seeking an opportunity where you can acquire skills, add value, be challenged, develop a career, and contribute to the protection and shaping of the environment as part of a successful team.

**Sounds like a pretty good match to us.**

**Join our team as a  
SITE ENGINEER.**

**SITE ENGINEERS** are an integral part of **GLDD** project management teams.

**AS A GLDD SITE ENGINEER YOU WILL**

- ✓ **ENSURE A SAFE WORK ENVIRONMENT** that is Incident and Injury-Free™ for you and those you work with every day so that everyone goes home safe.
- ✓ **UTILIZE STATE-OF-THE-ART TECHNOLOGY** to monitor and direct project activities and provide efficient dredging project execution. Our extensive fleet of GPS positioning software and hydrographic surveying equipment enables engineers to monitor every activity in near real time.
- ✓ **PLAN PROJECT LAYOUTS** for a massive fleet of ocean and river-based vessels by maintaining dredge instrumentation and automation.
- ✓ **CONTRIBUTE TO THE COMPANY'S PROFITABILITY** through accurate tracking of dredging progress and survey processes.
- ✓ **ACHIEVE SUCCESS** by delivering quality control excellence on all project sites
- ✓ **TRAVEL** and work a 2 week on/1 week off, Wednesday to Wednesday rotation

### **THIS IS A GOOD ROLE FOR YOU BECAUSE YOU**

- ✓ Will be part of a diverse team that includes background experience in Civil Engineering, Ocean Engineering, Construction Management, Construction Management Technology, and Mechanical Engineering, or experience in construction related work
- ✓ Are engaged, eager to learn, and flexible
- ✓ Appreciate being part of a **TEAM**
- ✓ Seek a career path that includes travel
- ✓ Have a passion for maintaining or improving our shorelines
- ✓ Prefer fresh air and amazing views versus an office cubicle
- ✓ Enjoy a variety of projects and tasks
- ✓ Are comfortable transitioning to new locations routinely
- ✓ Welcome the opportunity to work along side industry veterans and early stage career individuals with similar backgrounds

### **WHAT YOU GET**

- ✓ World class safety environment
- ✓ Career development and continuing education
- ✓ Mentoring and coaching
- ✓ Competitive salary
- ✓ 401k program with a company match of 6% with immediate vesting
- ✓ Annual profit sharing (based on company performance)
- ✓ Company provided site-based housing, transportation, meal allowance, and domestic airfare transportation to/from site to home base for your time off
- ✓ Tuition reimbursement (after minimum service requirement)
- ✓ Medical and Dental Insurance Coverage
- ✓ Prescription Service
