Yard Superintendent – Morgan City, LA

Great Lakes Dredge & Dock Company, LLC is the largest provider of dredging, land reclamation, and beach nourishment services in the United States, and the only U.S. dredging company with significant international operations. With the largest and most diverse dredging fleet in the U.S., Great Lakes serves a wide range of customers including Federal and State agencies and private owners both international and domestic. Headquartered in Oak Brook, Illinois, GLDD has a large fleet of dredging equipment located strategically throughout North America and in various locations throughout the world.

The Yard Superintendent position is based in our Morgan City, LA facility in support of Great Lakes domestic operations. The position is a full time position based in Morgan City, LA.

Responsibilities:

- Promote Safety and IIF Culture at all levels of yard personnel and plant personnel using yard facilities.
- Ensure that all contractors, vendors and personnel attending yard facilities have proper identification and training to use GLDD facilities
- Ensure the yard complies with all Local, state and Federal regulatory requirements
- Manage and maintain yard inventories for on hand parts and equipment
- Ensure that yard facilities are maintained in a clean, organized and orderly fashion.
- Manage yard crews as necessary to facilitate efficient use of yard resources to support daily operations.
- Manage preventative maintenance of yard support equipment, plant and facilities.
- Coordinate with appropriate managers to provide and schedule yard support for plant & equipment maintenance and lay up periods.
- Coordinate with General Superintendent and Project Site Teams for mobilization/demobilization of plant & equipment to/from yard facilities as required
- Ensure proper support of plant & equipment to field site locations for required parts, supplies and equipment located at yards.
- Prior experience working with dredging or offshore equipment
- Perform other duties as assigned
- Complete a pre-employment physical examination, drug screen and background check
- Willing to work an 8-10 hour per day shift including weekends if required
- Able to operator forklift and heavy equipment as required
- Hold or able to obtain NCCCO or equivalent crane operators certificate
- Able to lift and carry 50+ lbs.
- Hold or be able to acquire a TWIC (Transportation Workers Identification Card)
